WIESE FARMS

NWOC SS LEGACY shown here at 4 years of age & weighing 1800 lbs. We have been using Legacy successfully for 3 years. He has given us moderate size calves with good muscle expression. We will have sons & daughters from him for sale this summer.

Announcing our junior herd sire, Cat Creek Sizemore, pictured here at 14 months. He will be assigned to breed our heifer replacements this January. We purchased "Sizemore" as Lot 62 at the National Sale in September at Murray State College where he was bred and consigned by Carson Farms of Statesville, NC.

Wiese Farms purchased their first Red Polls in 1927 and they have been a part of our lives and our farming and ranching success ever since. Red Polls have many fine qualities to contribute to the beef business.

Our hope for the future of the Association is that more people come to recognize the mothering ability, the docility, the ability to do well under adverse conditions, and the quality of the finished product for the consumer that is inherent in our Red Poll breed.

Wiese Farms encourages all breeders to register their females and bulls kept for breeding, and transfer all they sell. We support Complete Herd Reporting to advance the quality of our herd and the breed, and encourage everyone to send in all carcass information that you are able to obtain.

A nice group of yearling bulls for you to consider out of NWOC SS Legacy with frame sizes from 5.0 to 7.0 and yearling weights from just under 900 pounds to over 1100 pounds on pasture with 10 pounds of grain daily. Have one young bull out of Parkstyle Gibraltar also that would work for an operation looking for high performance bulls to use on mature cows. We would be pleased to send you performance information and pictures on the individual bulls. The bulls will be ready for light to moderate servicing this spring!

From the President

As a teenager growing up on a cattle and grain farming operation, I saw the benefits of raising a breed of cattle that I could handle by myself. I was drawn to the Red Poll breed because of their mothering ability and docility. Today, those same qualities draw new breeders into raising Red Polls, but we need to be more proactive in spreading the word about our cattle. The more involved we all are, the more attractive our breed will become to those looking to expand their cattle operation or for new cattlemen just starting out. We are a proven, productive breed that will provide merit to beef operations for many years to come. Let's look for ways to expand our group – in our local communities through 4-H shows and local fairs as one example.

I look forward to leading our association into a brighter future. If you have any concerns or ideas, please reach out to me. I would love to talk to you anytime.

A Message from the Secretary

I have spent my entire life round Red Polls. My grandfather purchased his first Red Polls in the early 1940s. He drove all around the country showing and selling Red Polls. My parents drove my sister and I all around the country showing in the '80's. Now we are driving my nephew all around the country showing his heifers. It's in my blood!!! People are always asking why Red Polls. My first answer is always because of their temperament. My second answer is is there any other breed? Yes, I know there are others out there. But I just love those little red cows standing out in the field. My third answer is the sense of family within this breed. Everyone knows everyone and cheers for each others success. I feel like I have family all across the country. It's in our blood!!! If I can ever help you with anything or send you the information you need please feel free to contact the office anytime.

Becky

MEMBER SERVICES UPDATE

Transfer and Registrations

Customers look forward to getting their certificates in the mail after purchase. Don't forget to complete the transfer(s) completely within 30 days of sale date to avoid extra fees. New customers also receive one free year of the ARPA Journal.

Note: Always remember to fill out those transfers and registrations completely for accuracy.

Share the Good News

We want to share the news about the growing Red Poll Breed all year long. If there is anyone who could benefit from receiving the ARPA Journal or any informative materials, please let us know so we can make that contact.

Missing or Misplaced an ARPA Journal Edition?

Call or email the ARPA Office for a hard copy. You can also view it online on our newly updated americanredpolls.com under ARPA Journal.

Annual Meeting Booth & Sponsor Opportunities

The 2020 National Meeting & Sale will be held in Murray, Kentucky, October 8-10, 2020. There will be lots of available booth space at this 3-day event. If you would like to display your Farm / Ranch or your local Association this would be a Great way to do this or If you would like more information regarding sponsorships, contact Jan Belyew 731-693-9746.

Board of Directors

David McCall, President

My name is David McCall and I am proud to serve as your Red Poll president this year. I have been involved with the Red Poll breed since 1998. My wife, Fran and I live in Shelbyville, Kentucky. We have a 5-year-old son Lane who is in Kindergarten and enjoys the cattle and showing Mini Rex rabbits. My father and I operate Grand Meadow Farm in Oldham County, Kentucky. We farm 980 acres of row crops and harvest 200 plus acres of hay. We currently have 20 head of Red Poll cattle along with 25 Shorthorns and 60 commercial cows. We traditionally show at the Kentucky State Fair and the North American International Livestock Exposition (NAILE). On occasion, we exhibit cattle at neighboring state fairs. I serve on the Oldham County Farm Bureau Board of Directors and serve as President of the Kentucky Shorthorn Association. My hobbies include showing rabbits at the state and national levels and watching UK basketball and football.

Edsel Belyew, Vice President

I am Edsel Belyew, from Big Sandy, Tn. I am 66 years old, and a Graduate of Big Sandy High School. I served in the US Army during the Vietnam Era. I came out of the Army and entered a training program with Tennessee Valley Authority. I worked with T V A for 37 years retiring as a Shift

Supervisor. I served 4 years as a Benton County Commissioner. As a Commissioner, I served on the Budget Committee as part of my duties. I am Married to Jan Belyew, we have 3 grown children, 6 Grand children and 6 Great Grandchildren. We own 3 farms and rent 1 farm that we run our 120 head of Red Poll Cattle on. We keep 3 Red Poll Bulls to service our cows. 1 farm is kept for weaned heifers and bred heifers and a few bred cows. My goal as an American Red Poll Association board member, is to promote the greatness of the Red Poll Breed and make it one of the most profitable breeds on the market today. I will be looking for new ways to get the Red Poll Breed name on the market. We can compete with other breeds by promoting our meat quality, tenderness, marbling, and flavor. By promoting the docile temperament of the breed and what this means to meat quality and ability handle our Red Poll Breed. On the feeder steer market. A calm calf will gain more than a high-strung calf. If you have Ideas or concerns, please feel you can contact me. I may not know the answer, but I will find the answer and get back with you. My contact number is 731-693-9706, my email is: redpoll53@gmail.com. Thank you for your confidence in me to serve as one of your Board members.

Jim Jackson

Hello, my name is Jim Jackson. For those of you who don't already know me, I am a 3rd generation Red Poll breeder from Indiana. I am actively taking care of a 25-brood cow herd of Red Polls and I have served as an ARPA Director for the last 5 years. I hope to see

many of you at the upcoming Red Poll shows and at the Kentucky Beef Expo Red Poll Sale the first weekend of March and the National Meeting and Sale in the fall.

Chet Miller

We started our Red Poll herd in 2006 with a heifer from Leo Young's. From there, we have grown the herd to a base of 25 females. Utilizing strong AI offerings, we have had success in the show ring and with functional cattle for any operation. We are annual participants in the Ky Beef Expo, KY State Fair, NAILE, and have supported the National Red Poll Sale with offerings. Our goal is to keep improving this wonderful breed.

Regan Logan

My name is Regan Logan and I am pleased to be a new board member at ARPA. I farm in the heart of Tennessee in the Duck River Valley where I make a living with cattle. I sell stockers ready to go out on pasture, feeder calves 650 pounds or heavier and pasture breeding stock. Almost all the calves I sell go out of state. Bulls, bred cows and bred heifers are bought by local friends and acquaintances or by auction at invitational sales. Calves go on feed prior to sale but all my breeding stock is grass raised which means pasture and dry hay. Even with all the challenges I love what I do.

I became interested in Red Poll cattle in 2010 when I decided I wanted an alternative to black Angus bulls. I was looking at Red Angus and Hereford bulls for sale in Missouri and was feeling a little discouraged when someone

suggested Red Poll. Well I had never seen any, so I headed on down to Little Rock where I bought my first bull. I was pleased with the calves and that's how it all started. Now there are 45 registered full blood Red Poll on my farms with the rest of the cattle being cross bred or commercial. Yeah, all my friends thought I was crazy but Red Poll have been profitable for me. I don't plan to ever go back.

One of my hobbies is photography so I look at the advertisements in the trade journals trying to get ideas about photo composition.

Have you noticed that more ads for inputs are featuring red cattle? Yes, advertisements for minerals, lick tubs, seed, trucks and all the rest often show red cattle these days. Now is the time to be promoting our breed. You can see my other hobby in the photo below. If you want to talk about cattle or grazing management, marketing or fishing I hope you'll give me a call. 615-218-3556 reganlogan2@gmail.com

Jeff Wilkins

I want to first thank the membership of ARPA for giving me the opportunity to be on the Board over the years. My Wilshire hat has always been removed at all meetings. I have made comments and decisions based on the membership as a whole. My goals: (1) - have always been to promote the Red Poll breed to see that it is

constantly improving in number and in quality. I am convinced that God gave us a unique breed of cattle that has positive traits other cattle breeds do not have. We must not fail in this effort. (2) - we need to promote membership growth. As older breeders are aging out, new folks need to get involved at the national level and continue carrying the torch for Red Polls. The board needs to really get involved in more ways to make this happen. (3) - most important

we strongly need as adults to get more involved in many youth programs. Give them our support in many directions. They are our future and without them there will not be a thriving Red Poll breed. Seven generations of my family have lived and worked on this farm in North Carolina. Cattle have been a big part of it. Red Polls have been here since 1983 when my father retired from his dairy operation and started a Red Poll herd. When he turned the beef operation over to me we set our goals to acquire grass genetic cattle, join the Complete Herd Record (CHR) program, and acquired semen from several bulls so our calf crops each year will come from many sires. Along with being a Red Poll breeder, I have had the privilege of practicing as a veterinarian for the last forty three years. We have participated in many jobs for ARPA members and the Board over the years by being on many committees, National Meetings and Sales, Junior National Show, fund raising, promotions, written articles in many publications, many Field Days on the farm for Red Polls, NC State Extension Field Days on Nutrition, TV interviews, Blue Ridge Association member, and the liaison to the Livestock

Conservancy.

The Junior American Red Poll News Stop

Note from the Junior President:

I am Thaddaeus Cook the current President of the Junior Red Poll Association. Nine years ago I became involved with Red Poll Cattle. I have fed, lived with them, and showed them. As the youth is growing in number with the show program, I would like to see more involvement with the youth in things such as agricultural programs relating to livestock maintenance, breeding, and nutrition. As President, I am open to suggestions and advice from other youth and adult members. I would personally like to thank Teresa Jackson and Becky Ebersole for all they do for the Junior Association.

Thank You,
Thaddaeus Cook

Sponsorship Opportunities

To our parents, family and friends, you can be a part of this memorable event by sponsoring one or more of these activities that make the Junior Show a memorable event. Your sponsorship will be recognized Sunday morning during the show. We will be providing our junior members and guests with meals throughout the weekend and special prizes for the various contests.

Please send a donation check made out to the American Junior Red Poll Association to Teresa Jackson. We will be announcing our sponsors at various times over the weekend. Your donation is tax deductible and we will be sending you an acknowledgement letter for your records. You are also more than welcome to come to the fairgrounds at any time over the weekend and visit with the kids and inspect the cattle.

1. Bulls are required to be DNA &/or blood-typed and have five-generation pedigree. (Amended 3/6/20 from six to five)

Addition of Rule 20

RULE 20: RED POLL BREEDING GUARANTEE

A. Breeding Guarantee

1. The breeding guarantee shall constitute a contract between the seller and buyer of each animal sold at public or private sale, except for that in the case of complete Dispersal Sales, the seller may choose between selling and not selling under the Breeding Guarantee.

2. Proper care must be given by the purchaser to protect breeding qualities and health of guaranteed animals.

B. Bulls

1. Bulls sold as separate lots are guaranteed breeders. Provided the following:

a. Bulls are not allowed to serve until 14 months of age.

b. Or allowed to run with the herd until 20 months of age.

c. Notice of failure to settle cows is given within six (6) months of purchase or six (6) months after bull becomes serviceable age.

2. Bull calves under 8 (eight) months of age sold at sides of dams are not guaranteed breeders.

C. Females

1. All females over 14 months of age, sold open, are guaranteed open and breeders.

a. If not settle in 6 (six) months, heifers shall be reported to seller.

b. Heifers under 14 months of age are to be open, and, if in calf, shall be reported promptly to the seller.

2. Females sold as bred animals, but not in calf, must be reported to seller within 3 (three) months of sale date.

3. Females bred within less than 8 (eight) months prior to date of sale are not guaranteed to be in calf but are guaranteed breeders.

4. Heifers under 8 (eight) months of age are not guaranteed breeders if sold at sides of dams.

D. Adjustments

1. Seller may replace animal in question with another of equal value at time of purchase to the satisfaction of the buyer.

2. Or seller may refund purchase price. No interest, feed, transportation or fees to be charged to seller, Salvage goes to seller.

3. Seller may elect retrial period not to exceed 6 (six) months.

a. Transportation to be paid by seller

b. If animal proves to be a breeder, it shall be returned to purchaser at the expense of purchaser.

c. No feed, fees or maintenance charge will be made by either the buyer or seller.

Health Requirements For Sale Animals

- Provide 1 Health Paper Per Lot for the Veterinarian
- A Kentucky Permit Number must be obtained by your vet & **Written on the Health Paper!** This is a Kentucky State requirement!!
- Make sure your animal is health inspected and ready to sell into any state
- Make sure your vet has the name and address of the facility on the health papers

FARM & RANCH BOOTHS

We are once again asking for ARPA members to set up a farm or ranch booth at Murray State University. The more participants the better! You do not have to have cattle consigned to put up a booth!

To reserve or for more information, contact Becky Ebersole at americanredpolls@gmail.com

Red Poll Amnesty Program

All breeders now have the opportunity to catch up on registering cattle age May 2019 or older during the period of May 1 to July 31, 2020 for a reduced rate of \$10/head for registration fees. Call the Registrar if you any questions.

In Memorium

James Henry McKee, 94, of Washburn, passed away Sunday, September 1, 2019, Peoria, Illinois. Jim has generously donated his body to medical science. A Memorial Service will be held Saturday, September 28, 2019 at 11:00 am at the Washburn Christian Church. The Rev. Bob Debolt will officiate. Memorials may be made to his church or to Common Place, Peoria. Calvert & Johnson Memorial Home, Washburn, is in charge of arrangements. James was born January 1, 1925 to Curry and Florence (Baer) McKee. He and his twin brother, John Robert, were born at home in Richland Township, Marshall County, Washburn, IL, in the midst of a snow storm. They were kept warm in a market basket on the oven door of the cook stove in their parents' farmhouse kitchen. He married Muriel Faw at the Washburn Christian Church on June 30, 1955. They lived at McMarshall Farms, Washburn, for more than 60 years. Surviving are his wife, Muriel, and six daughters, Meredith (Bill Manny) of Washburn, Sally (Michael Sork) of Tampa FL, Janet Storms of Washington, Polly (Doug Kocher) of Henry, Laurel (Jim Kramer) of Temecula, CA, and Rebecca (Ross Lange) of Alabaster, AL. He also has nine grandchildren and ten great-grandchildren. His parents, stepmother Mary, twin brother John Robert, sister Mary Jean, and an infant daughter Johni Sue preceded him in death. Jim was active in 4-H, showing Jersey Cattle. He graduated from Washburn High School in 1943. He spent two years in the United States Army at Ft. Leonard Wood, MO 1950-1952. Jim became an active breeder of Red Poll Cattle and served on the board of the American Red Poll Association for many years. He also served as president of Red Poll Beef Breeders International. He and his wife had the pleasure of attending twelve International Red Poll Congresses starting in 1976. They visited the United Kingdom, New Zealand, Australia, Uruguay, South Africa, Jamaica, and Canada. They count many as friends from these countries. In later years, Jim had an active interest in mules. He attended many sales in Tennessee, Kentucky and Minnesota. Jim was appointed to served on the Governor's Board of Livestock Advisors by James Thompson in 1988. He served until 2013. He was a member of the Marshall-Putnam Farm Bureau. He was a board member of the Washburn Christian Church, as well as a deacon.

Mary Jo (Frilling) Schmiesing died at her home at Carthagena, Ohio on Sunday, June 16, 2019 surrounded by her family. She was born to the late Charles (Chuck) and Dolores Frilling on April 26, 1947. After graduating from the University of Dayton, Mary Jo taught social studies in Columbus, Ohio and the Marion School system. On June 20, 1970, she married Daniel Schmiesing in McCartyville, Ohio. She helped Dan operate his large animal veterinary practice, managed their farm Mardan Acres, and raised their five children: George of Plymouth, Michigan; Shanna (Jeff Bartolin) of Worthington, Ohio; Rebecca (Jeremy Miller) of Kempton, Indiana; Carlusue (Ingel Eribal) of Newport News, Virginia; and Kenneth (Michelle Belna) of Palmyra, Pennsylvania. She is also survived by her sister Judy Fortenberry (H. Wayne) of Leander, Texas and 11 grandchildren (Brixon, Elliot, Kendra, Calvin, Annika, Eva, Allison, Dante, Marco, Gaius, and Lucas) She is preceded in death by her parents, parents-in-law (Edwin and Clara Schmiesing), her sister Theresa, and 2 grandchildren (C.I. and Iben Eribal). She was the first parish life coordinator for St. Aloysius Parish (St. Al's), a member and past president of the Mercer County Genealogical Society, Secretary of the Ohio Red Poll Association, a 25-year 4-H advisor, and a member and former director of St Al's choir. She was known for her mild manner and willingness to help others.

Wayne William Fish, 78, of Bartlesville, died Tuesday in Bartlesville.

Wayne was a loving husband, father, grandfather and great grandfather. He was a Ph.D. biochemist with many accomplishments. He was an enthusiastic cattleman, who enjoyed raising and showing Red Poll cattle. His hobbies included hunting, fishing, and traveling. Wayne never hesitated to lend a helping hand to anyone in need, friend or stranger. He was famous for his wonderful homemade bread, sense of humor and his playful nature. He was truly loved by all.

Wayne is survived by his wife Sue of the home; three children, Susan Pedersen of Charleston, SC, Sandra Thompson and husband Chuck of Oklahoma City, and Brian Fish and wife Kimberly of Fort Mill, SC; eight grandchildren, Alex Pedersen, Nick Pedersen, Olivia Pedersen, Seth Anderson and fiancé Abigail Gedon, Sara Wright and husband Antonio, Samantha Anderson, Mackenzie Fish, and Michaela Fish; and five great grandchildren, Elijah, Mateo, Rocco, Scarlett, and Ari. He is preceded in death by his parents Earl Clayton and Hazel Aline (Hungerford) Fish and one sister Loyce Hoge.

Producing BULL POWER Year After Year

DFM ECLIPSE 840

2019 National Champion Bull - North American International Livestock Exposition

Sire: Esquire's Navigator

Dam: DFM Suesie Q (2011 National Champion Female NAILE)

Thanks to Esquire Land & Cattle, Phil Wyrick for your recent purchase of Eclipse.

2019 Co-Premier Exhibitor & Co-Premier Breeder with Jackson Farms.

Official Publication of the American Red Poll Association

Red Polls — Ready to Move the Industry!

The World's Oldest National Organization for Red Poll Cattle • Founded 1883

"Give my sight to the man who has never seen a sunrise, a baby's face, or the love in the eyes of a woman.

Take my bones, every muscle, every fiber and nerve in my body and find a way to make a crippled child walk.

Scatter my ashes to the winds to help the flowers grow.

If you must bury something let it be my faults, my weaknesses, and all my prejudices against my fellow man.

Give my sins to the devil.

Give my soul to God.

If by chance, you wish to remember me, do it with a kind deed or word to someone who needs you.

If you do all I have asked, I will live forever."

Excerpted from "To Remember Me" by Robert N Test

James Henry McKee

January 1, 1925 - September 1, 2019

Many thanks for your friendship and support through the years
