## RED POLL SHOW & SALE

### General Information

**Date, Time, and Place:** Friday, March 1st, and Saturday, March 2nd, 2024. **Show 2:30 P.M. FRIDAY SALE 9:30 A.M. SATURDAY.**

**Terms:** Terms of the sale are cash unless other arrangements are made with the individual owner before the sale. The auctioneer will settle any disputes as to bids. Each animal will be sold to the highest bidder without reservation and will be at the purchaser's risk as soon as sold and can be moved after settlement is made.

**Registration Certificates:** The cattle are registered in the Herd Book of the American Red Poll Association. Certificates of registration will be furnished, with transfers recorded, free of extra cost to buyers.

**Health Papers:** Cattle, except official vaccinates that are under age, will have a 30-day negative test for TB and Brucellosis, except for cattle from Certified and Accredited herds. It is advisable to know your own state's health requirements on bringing cattle in from out of state. Some states require permits.

**Consignor's Responsibility:** The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and seller.

**Guarantee:** This sale will be conducted under the Red Poll Breeding Guarantee.

**Liability:** The Kentucky Red Poll Association, American Red Poll Association, Kentucky Department of Agriculture and Kentucky Beef Expo act as sale agents only for the consignors of this sale and assume no liability as to accidents to or by any animal. The guarantees given above are made by each consignor for his own animals which are selling.

**Transportation:** Transportation will be available. Check with clerk at time of settlement.

**Announcements:** Announcements made from the auction block take precedence over information printed in the catalog.

**Mail Bids:** Mail or telephone bids will be handled in a most confidential manner if you are unable to attend the sale personally. Please contact Kentucky Red Poll Association representatives, auctioneers or breeders of your choice.

Dear Friends,

Welcome to the 38th Annual Kentucky Farm Bureau Beef Expo! As the largest beef cattle state east of the Mississippi River, Kentucky is blessed to have this event as a staple on our agriculture calendar each year.

Every year at the Beef Expo, Kentucky cattle producers show and sell some of the best cattle in the country to buyers looking to upgrade their genetics or take home a show project. This event is truly the place to be for the beef industry on the first weekend in March.

Over the years, we've seen ups and downs in the beef cattle market. But despite challenges, the industry is still in the top five for Kentucky agriculture, with the latest figures showing gross receipts from the production of cattle totaling \$1.1 billion.

Agriculture across Kentucky saw some unique challenges in 2023, but the cattle markets showed resilience with Kentucky's calves and feeders fetching much higher prices at the end of 2023 compared to 2022. Economists from the University of Kentucky anticipate agricultural receipts for 2023 could be \$8.1 billion, just shy of 2022's record-high \$8.3 billion.

These numbers show how important agriculture is to the state of Kentucky and cattle producers are a large reason for that. The nearly one million head of beef cattle in the Commonwealth and the more than 33,000 farms with beef cattle, solidifies cattle among one of Kentucky's top commodities.

As a cattle farmer myself, I know firsthand the hard work that goes into the beef industry from bottle-feeding calves to fighting the weather. It is that experience that forms my deep appreciation for the farmers across Kentucky who make this their passion year after year. Without their continued efforts Kentucky would not have the great agricultural community that makes it stand out amongst other states. Farming is the backbone of our state and cattle farmers are a large part of the equation.

Lastly, a lot of work goes into making this event possible every year. As always, I wish to thank Kentucky Venues CEO David Beck and his team for the many hours that went into hosting this event.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo. If I or any of my staff can be of service to you, please don't hesitate to ask.

Sincerely,

Jonathan Shell  
Commissioner of Agriculture  
Commonwealth of Kentucky

### Welcome to the 2024 Kentucky Farm Bureau Beef Expo

For anyone involved in the state's cattle industry, they realize what an economic engine our livestock sector has become in the Commonwealth.

The sector has grown exponentially over the past 20 years and Kentucky now stands as the largest beef cattle producer east of the Mississippi and eighth in the nation.

Working in conjunction with the Kentucky Department of Agriculture, the Kentucky Farm Bureau Beef Expo continues to promote our cattle industry which now represents 16.5 percent of the state's total farm cash receipts.

This event helps to showcase the industry and is one of the premiere venues to buy, sell, and show some of the best livestock in the country.

The KFB Beef Expo has a rich history with its origins dating back to 1947 when it began as the Kentucky Angus Sweepstakes. Since then, many changes have taken place, but the purpose is still the same; to showcase the best cattle and highlight an industry so important to farm families across the state.

This year's Expo features nine different breed associations as producers from multiple states make their way to the Kentucky Fair and Expo Center for the event.

Much of the success of our cattle sector is due to the dedication of our farm families and the work each breed association has made to move forward in production, and quality. The KFB Beef Expo is a great place to see the results of those continuing efforts.

I would like to welcome each of you and hope you have a successful Expo and a great 2024 on the farm.

Sincerely,

Eddie Melton, President  
Kentucky Farm Bureau

## MFF RR Shell Shock (R# 219259)

**BULL** **BORN: 9/25/22**  
Breeder: Miller Family Farm (Tattoo: M226)  
Consignor: Miller Family Farm

MFF Rolls Royce (R# 217725) { Parkstyle Bentley (R# 216596)  
MB Family Girl (R# 213807)  
MFF N Shelley (R# 214964) { Esquire's Navigator (R# 210052)  
MB Fran (R# 210543)

I don't know why but some cows just are not made to have heifer calves, and we've made two of them here in Finchville. The Jacksons bought the first one, MFF Comet, and we have Shelley. After hearing from Joe and Jim this fall that Comet finally had a heifer on her 8th calf, I was hoping Shelley would too but she had another bull. But that's not the calf we are selling, so let's talk about the older brother, Shell Shock. If you like them pretty, stout, and hairy, Shell Shocked is your man. If you study the pedigree, there's some similarities in the cow families. You'll see MB Shelby and MB Fancy Girl, full sisters that were sired by MB Lady out of MB Fran. Shelby and Fancy both were incredible show heifers as Shelby was the 2013 National Champion Female and Fancy was the 2014 Reserve National champion female in her only time in the show ring. Both Females have daughters that are National Champion Females and have sons that sired National Champion Females. Now if you look to the bulls in the pedigree you'll see some differences in type and kind but similarities in quality, Navigator and Bentley. Both National Champions almost 10 years apart but ones that have a lot of good to give, as seen here in Shell Shock. For several years all we sold were heifers sired by MFF Sheldon, Shell Shock's mother is the only full sister to Sheldon that we had. If you have made it this far and can't tell, I'll make it easy on you. I really, really like the pedigree this bull has behind him.

MFF Two Step (R# 218567) { MFF Sheldon (R# 213979)  
MFF Connector Vador (R# 210864)

Dancer is one that I have admired since he was a couple months old on the side of his mother. Dad will be the first to say I am extremely critical of any bull we raise and because of that, we don't keep many. Dancer is one that I am extremely happy to offer to the public as he puts a lot of things that I value together in a moderate framed package. At the 2023 North American Livestock Expo, the judge, Mr. Clint Hall, selected Dancer as the Reserve Grand Champion Red Poll Bull and spoke on the microphone about the athleticism and structural correctness that Dancer possessed. I mentioned Dancer's mother in the first sentence. She comes from our 2nd oldest cow family that started with Young's A's D back in 2006. Dancer's grandmother will be a week shy of 15 years old at the time of the Beef Expo sale and is due with her 13th calf this spring and we have kept almost all of her heifers as cows. And Dancer is his mother's first calf. I can't wait to see how she produces the rest of her life.

Rolls Royce was one that we didn't get to use as long as we wanted. He is one of my favorites we have raised and I admired his structure. In my opinion, he was one the best footed, best pasterned, best legged bulls I had seen since his sire, Bentley, was shown. He was so good about the angle to his shoulder, was so good about the way his neck tied into his shoulder, and was just one that moved with ease. I hoped that he passed his structural correctness onto his offspring and when you look at the 4 head we are bringing sired by him, while they are definitely not all perfect and there will be differences in them, I hope you see the extremely good angle to their shoulders, the way that they tie in at their neck/shoulder junction, the angle and set to their rear legs, and the way they get out and travel. Today as im writing this, JORDAN M230 is my pick of the heifers. She a little more elegant about her front 1/3 and when parked has the advantage in a more correct rear leg. Jordans mother is the second oldest cow on the property, turning 13 and due with her 10th calf this spring. Jordan's granddam was bought out of this very sale in 2006 from Leo and Kyle and was the very first Red Poll female Dad ever purchasded. Our other heifer lot is M231. Her mother is a full sister to the 2021 Champion Bred Heifer and the 2023 Champion Open Heifer here at the Ky Beef Expo Red Poll Sale and a maternal sister to our other heifer lot, JORDAN M230. Like her siblings in the sale, M231's angles are really good. She is larger framed and stouter made than our other heifer lot but one that still posses an elegant look. This is the last time that Rolls Royce offspring will be offered to the public so bid often and bid with confidence.

This heifer has great potential and will make a great addition to any herd. We hate to sell her but we are short on room. The Chief calves look great and will make great cows.

This is a great opportunity to own part of our fundation. We have only sold two females out of this cow family. This is a heifer you can build a herd around. She will be an easy keeper with a perfect udder. Don't let this one slip by you on sale day.

## Bylaw 38 – The Public Auction Sales Code

In the selling of registered Red Poll cattle, a complete statement of facts shall be made, along with all information on animal sold.

**Sale Title** - This shall be a definite statement of dispersal, partial dispersal or consignment, as the case may be, designating any cattle reserved.

- a) Dispersal Sale: Complete sell out, no salable cattle reserved. If a member of the firm or family wishes to purchase any animal to establish another herd, this fact should be stated in the catalog.
- b) Partial Dispersal: Selling part of the herd. Explanation must be made.
- c) Consignment Sale: Sale of animals consigned by different breeders. It is recommended that both consignor and breeder be listed on the pedigree of each animal in a consignment sale catalog.

## Terms & Conditions

1. The highest bidder shall be the buyer.
2. The auctioneer selling will settle any dispute as to the bids by declaring all bids off and reselling the animal in question.
3. Cattle are property of purchasers as soon as sold by auctioneer, but will be cared for free of charge until delivered to buyer.
4. Terms of the sale are cash, unless other arrangements have been made with the owner before the sale.
5. Cattle are sold subject to health regulations of any state or country.
6. Breeding dates for animals that have been bred and not listed in the catalog will be given sale day.
7. If errors are noted in the catalog, announcements will take precedence over the matter in the catalog.
8. Each animal is recorded, or will be recorded in the Herd Books of the American Red Poll Association. Certificates of registry and transfer will be recorded by the seller and furnished the purchaser free of charge.
9. Owner warrants clear title to the property and right to sell the same.
10. Unless otherwise noted in a catalog or announced from the auction stand, each animal is sold as sound.

1. The breeding guarantee shall constitute a contract between the seller and buyer of each animal sold at public or private sale, except for that in the case of complete Dispersal Sales, the seller may choose between selling and not selling under the Breeding Guarantee.
2. Proper care must be given by the purchaser to protect breeding qualities and health of guaranteed animals.
3. Bulls sold as separate lots are guaranteed breeders.
  - a. Provided:
    - (1) They are not allowed to serve until 14 months of age.
    - (2) Or allowed to run with the herd until 20 months of age.
    - (3) Notice of failure to settle cows is given within 6 months of purchase or 6 months after bull becomes serviceable age.
  - b. Bull calves under 8 months of age sold at sides of dams are not guaranteed breeders.
4. Guarantee of Females
  - a. All females over 14 months of age, sold open, are guaranteed open and breeders.
    - (1) If not settled in 6 months, they shall be reported to seller.
    - (2) Heifers under 14 months of age are to be open, and, if in calf, shall be reported promptly to the seller.
  - b. Females sold as bred animals, but not in calf, must be reported to seller within 3 months of sale date.
  - c. Females bred within less than 8 months prior to date of sale are not guaranteed to be in calf but are guaranteed breeders.
  - d. Heifers under 8 months of age are not guaranteed breeders if sold at sides of dams.
5. Adjustments
  - a. Seller may replace animal in question, with another of equal value, at time of purchase to the satisfaction of the buyer, OR
  - b. Seller may refund purchase price. No interest, feed, transportation or fees to be charged to seller. Salvage goes to seller.
  - c. Seller may elect retrial period, not to exceed 6 months.
    - (1) Transportation to be paid by seller.
    - (2) If animal proves to be a breeder, it shall be returned to purchaser at the expense of purchaser.
    - (3) No feed, fees or maintenance charge will be made by either buyer or seller.
