*A 3-dimensional long-bodied female that has cow power in her future. When you see this female in motion she holds herself together well and is functional about her feet and legs. Moving down her top she contains a straight composure through her topline. With an easy demeanor and calm working capability, we have solid predictions of great mothering attributes in her near future. She is pending AI confirmation to the 2018 Grand Champion Bull at NALLE, Parkstyle Bentley. She is sired by Shuter's Amazon who follows down the Shuter's Tuff Enuff bloodline. Shuter's Amazon is a calf-easing, long-bodied, calm personality bull that produces herd-ready females. Producing grass-ready offspring ready to set production calves into your operation. Her dam sired from a Doll's C Pikeville bloodline. She is a deep-bodied, powerful cow that sits in the high percentage of our cow herd. Overall a very functional cow with outstanding material qualities.*

*Serving The Beef Industry Since 1883*

### **SALE TERMS & CONDITIONS**

**TERMS:** Terms of the sale are cash unless other arrangements are made with the individual owner before the sale. The auctioneer will settle any disputes as to bids. Each animal will be sold to the highest bidder without reservations, will be the property of the purchaser and at the purchaser's risk as soon as sold, and can be moved after settlement is made.

**REGISTRATION CERTIFICATES:** All consignments are registered in the Herd Book of the American Red Poll Association. Certificates of registration will be furnished with transfers recorded, free of extra costs to the buyers upon sufficient payment of the lot.

**HEALTH PAPERS:** All cattle will have health papers required by the State of Indiana. Some states require permits and some Trichinosis tests. The American Red Poll Association encourages consignors to have fertility tests and Trichinosis tests performed on all bulls over 1 year of age. A Veterinarian will be on hand to reissue health papers. It is advisable to know your own state's health requirements on bringing cattle in from out of state.

**CONSIGNOR'S RESPONSIBILITY:** The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and seller.

**GUARANTEE:** This sale will be conducted under the Red Poll Breeding Guarantee.

**LIABILITY:** The Wayne Co Fairgrounds and the American Red Poll Association act as sale agents only for the consignors of this sale and assume no liability as to accidents to or by any animal. The guarantees given above are made by each consignor for his own animals which are selling.

**INSURANCE:** Insurance is highly recommended to cover from the time of purchase until the time of delivery. Insurance will be available through American Livestock, Inc. Please see clerk for your insurance needs.

**TRANSPORTATION:** The owners and Sale Management will assist the buyers in hauling their purchases but the ultimate responsibility is the buyer's.

**ANNOUNCEMENTS:** Announcements made from the auction block take precedence over printed information. Any known breeding dates not listed in the catalog will be given on sale day. Unless otherwise noted in the sale catalog or announced from the auction block, each animal is sold as sound.

**MAIL OR PHONE BIDS:** Mail or phone bids will be handled in a most confidential manner. If you are unable to attend the sale personally, please contact the American Red Poll Association representative, auctioneer or breeder of your choice.
